

Plans & Elevations

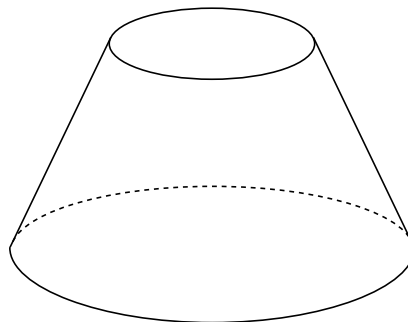

- i. The diagram shows the plan, front elevation and side elevation of a solid shape, drawn on a centimetre grid.

Draw a sketch of the solid shape. Give the dimensions of the solid on your sketch.

- ii. The diagram shows a solid frustum, with top radius of 1cm, bottom radius of 2 cm and perpendicular height of 3cm.

On the centimetre grid below draw the plan, the front elevation and the side elevation for the frustum.
